

PROPOSAL TYPES

New

Submitted to the sponsor for the first time or is re-submitted after being officially declined by the sponsor

Renewal

Competing continuation proposal which requests new funding to an existing award beyond its original term, proposes a new scope of work, receives a new proposal number.

Non/Compete SNAP

Requests next year funds which are already approved in a multi-year or multi-phase award. This proposal type is usually in the form of a progress report (e.g. NIH-SNAP, DOE's plan for next year's funds).
