

SDEIS Chair's Advisory Board Committee Charter

The SDEIS Advisory Board will assist the SDEIS department faculty in achieving its mission and aligning to the needs of the business community.

The advisory board will strive to provide support the following initiatives, as follows:

- PROGRAMS: Assist in recommending sustainable course curriculum and program.
- PROMOTION: Assist on the promotion of the department and its students.
- PEOPLE: Provide SDEIS faculty with access to private industry relationships and subject matter experts
- PLACEMENT: Identify research, projects, internship and permanent employment opportunities.
- PHILANTHROPY: Recommend sources of funding and assist efforts to obtain funding when possible.
- OTHER: Other initiatives as defined by the advisory board.

Committee formation and charters will remain fluid and at the discretion of the executive committee, in efforts to support the above initiatives.
