

Supporting Excellence!

Donations from alumni allowed the Association to contribute \$5,000 to the Director's Excellence Fund, held by the LSU Foundation. The Director's Excellence Fund allows SRNR Director Allen Rutherford to support travel and/or equipment needs for students participating in research, professional conferences and sponsored student organizations.

Membership Options

Basic dues to the SRNR/FWF Alumni Association are \$10 annually. Please consider purchasing a combined membership, which includes memberships in the LSU SRNR/FWF Alumni Association, the LSU College of Agriculture Alumni Association and the LSU Alumni Association, all for \$100. This package offers alums invitations to social, athletic and networking events; hotel, car rental and gift shop discounts; preferred rates for health and casualty insurance; access to alumni addresses, Campus Federal, the University Recreation Center, and more!

Director's Club

Your tax-deductible donation of \$1,000 will support scholarships and programming at the LSU School of Renewable Natural Resources. Members are invited to dinner with the Director, will receive updates on departmental progress and programming and will also receive an SRNR logo shirt in appreciation.

Stay connected!

Please send us your email address and phone number if you are not currently receiving announcements from the SRNR/FWF Alumni Association, and help us with contact information with your former classmates. We would welcome information on promotions, career changes, passings and other important life events from all alums! For additional information, contact Dr. Luke Laborde at 225-281-0711 or llabor2@lsu.edu
