(Provide copy of results with form.)</p> <p>Step 3: If IGRA is positive a chest X-ray is required. (Provide a copy of the X-ray report with form; it cannot be done in place of TB test.)</p> <p>Step 4: It is recommended that students with a positive IGRA with no signs of active disease on chest X-ray be treated for latent TB. Name of treatment medications: _____ Date initiated and duration of treatment: _____ (Please provide copy of completion of treatment.) ____ Student has been treated or agrees to receive treatment. ____ Student declines treatment at this time and agrees to come in to the Student Health Center to sign the Refusal of Treatment for Latent TB Form. Student also agrees to routine checkups to monitor progression of latent TB.</p>
--

Provider Signature: _____ Date: ____/____/____
Address: _____ Phone: (____) _____

*You will not be able to complete registration until you comply with the university immunization requirements.
All documentation should be submitted prior to coming to campus.*

Please see reverse for electronic verification and submission details. The completed form can also be submitted in person, by mail, by fax or by email to:

LSU Student Health Center
Immunization Desk
16 Infirmary Lane
Baton Rouge, LA 70803

Email: immunization@lsu.edu
Fax: (888) 837-2607
Telephone: (225) 578-0593
Website: www.lsu.edu/shc

Electronic Verification and Submission

- 1) Log-on to the Student Health Center Patient Portal using your myLSU credentials. Access it by visiting the Student Health Center homepage, www.lsu.edu/shc, and clicking on **Patient Portal** in the top right-hand corner or by using the direct link, www.lsu.edu/shcportal. It may take up to 3 business days after you receive your LSU email account before you can access the Patient Portal.
- 2) Check your immunization status by clicking on the **Immunizations** tab. If you are an in-state student, the Student Health Center may have received proof of some or all the required vaccinations through the Louisiana Immunization Network.

You are not “compliant” with the immunization requirements until we receive proof of required immunizations and a completed Tuberculosis (TB) Questionnaire.

- 3) Submit immunization information by clicking the **Upload** tab. Make sure your medical provider completed and signed the form and provided copies of any required lab reports. All lab reports must include your name and date of birth. Your files can be no larger than 4 MB. (Scan in black and white or at a setting of 150 DPI to decrease the file size.)

Once your documents are uploaded, it may take up to 3 business days to be reviewed and verified. Check your LSU email regularly for notification of secure messages from the Student Health Center.

- 4) Complete the Tuberculosis (TB) Questionnaire by clicking the **Forms** tab. It can be completed and submitted electronically. If you answer “No” to all questions, no further action is required. If you answer “Yes” to any of the questions, you must obtain tuberculosis (TB) testing.

You will not be able to complete registration until you comply with the university immunization requirements. All documentation should be submitted prior to coming to campus.

If you want to request an exemption/ waiver for immunizations, visit <https://lsu.edu/shc/medical/immunizations.php> for instructions.
