2027 LSU Student Success Summit

Partnership & Sponsorship Opportunities

EVENT DETAILS

The 3rd Annual LSU Student Success Summit will bring together faculty, staff, administrators, and campus partners from across the LSU System for a day dedicated to one shared goal: helping more LSU students succeed, persist, and graduate.

The Summit provides an opportunity for the LSU community to learn from national and campus experts, share promising practices, build connections across units, and identify new ways to strengthen the student experience. Last year's Summit welcomed more than 250 participants, and we are excited to build on that momentum in 2027.
